Guidelines for Oral Presentation in OURS 2023

The Guidelines to Presenters of OURS 2023 is as follows.

1. Each presenter will be allocated **maximum 10 minutes for oral presentation and 5 minutes to answer questions**.

2. Limit your slide presentation (MS PowerPoint) to a **maximum of 10 slides,** with minimal text to emphasize your centralideas.

3. During the allocated time, reinforce the specific ideas highlighted in your research work, share insights and resources to help participants in their teaching, research and/or planning activities.

4. If Authors want any multimedia facility to play a video, they would have to inform the theme convener prior to the conference.

5. Please submit the soft copy of your oral presentation to Research Unit via OURS email (ours2023@ou.ac.lk) on or before 31ᵗʰ October 2023. We are not responsible about later submissions, further changes after the deadline of the presentation submission or any other changes.

   Note: Your presentation should be named as your **Paper ID.pptx**

   The Programme Schedule will be emailed to you in due course.

Please note that ALL participants including presenters need to register online to https://ours.ou.ac.lk/. We thank you for your interest and commitment in the active exchange of innovative ideas, best practices, new insights and useful resources to enhance teaching, research and/or planning, by participating at OURS 2023!
